## Support Shaw for mayor

I met and began working with Wynne Shaw nearly 15 years ago, in a south metro area service organization known for community service, preserving history, and honoring and supporting those who serve our nation. As the elected organization leader, Wynne impressed us all with her ability to find consensus, build rapport, move projects ahead, and serve residents of all ages and abilities within our community. Wynne's leadership skills were so impressive that in 2016 when my husband Harold was term-limited after serving eight years on the Lone Tree City Council, we both heavily encouraged Wynne to run for Harold's seat. Having widespread community support, Wynne ran unopposed, and in May 2016 she became a District 1 Lone Tree City Council member.

Over the past eight years, Wynne has arguably become the most active member of the four-member Lone Tree City Council, representing Lone Tree on numerous boards and commissions throughout the Denver metro area. She currently serves as Lone Tree's mayor pro tem, and in late February she was elected as the chair of DRCOG (Denver Regional Council of Governments), where she continues to lead and work collaboratively with many Denver metro area leaders and to champion south metro area projects that benefit the health and vitality of our city and all our residents.

Wynne is a person of high moral integrity, a proven leader who always does her homework, elevates the discussion and the process, and listens carefully to oth-

ers to build consensus wherever she serves. These words: knowledgeable, experienced, honest, ethical, compassionate, steady, thoughtful and passionately dedicated to serving others are just a few that come to mind when I think of Wynne.

Wynne has the experience, knowledge, leadership skills, and — as importantly — the necessary time to effectively lead Lone Tree in the years ahead. Please vote for Wynne Shaw to become Lone Tree's next mayor when your ballot arrives in your mailbox in mid-April.
